## APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.025 cubic feet per second. ( One fortieth )

Actual construction work shall begin on or before May 8, 1920.

Proof of commencement of work shall be filed before June 8, 1920.

Work must be prosecuted with reasonable diligence and be completed on or before May 8, 1921.

Proof of completion of work shall be filed before June 8, 1921.

Application of water to beneficial use shall be made on or before November 8, 1921. Proof of the application of water to beneficial use must be filed with State Engineer on or before December 8, 1921.

Proof of labor filed MAY 26 1920

Cancelled Feb 13, 1926 because of failure of applicant to comply with provisions of permit.

Robert A. Allen State Engineer.

WITNESS MY HAND AND SEAL this 8th day of December, 1919.

J. A. Emerson

State Engineer.
